Background	The Way of the Eagle teaches observation, mysticism and the sudden descent upon one’s prey. Eagle Tribes dwell mostly in and around the Lonely Mountains and are great seers, preferring to camp by trees or rocky prominences. They include Mist Warrior Druids, Shamen of SORONTAR, Soarers (Gravity Elementalists) and Dreamweavers (Dreamer Seers) amongst their numbers. Their headdresses have the finest feathers and their Totems are majestic, but always seem to be watching you (and some say the Eagle Seers use them to spy upon you). They are friendly with the Gnollish Druids of Hublor Circle and keep watch over the hidden Valley of the Gnolls in the South of the Lonely Mountains.		

Notes	DD: Only controls The Domain of Prophecy in Dreams if Temple of SURGAT not Activated. Never controls the Domain of Prophecy in Madness..
