Description	There is an outbreak of Lycanthropes or Undead in the City.
Specify	Specify (i) the nature of the Outbreak (Lycanthropes and type or Undead and type), (ii) its Location and (iii) its Leader (if any), whom you may play.
Notes	<p>This Plot may be played as an Outbreak of Lycanthropes or Undead (or even of Wereghosts if played in 2505 or later). The Outbreak is not necessarily orchestrated by the Rat or other Animal Cuts or by the Temple of SOROK, and may even have been orchestrated by a rival Faction to discredit them (but they may still feel obliged to get behind it). The Outbreak is likely to get rapidly out of control (even by you) but the appropriate Temples and the City Watch will take action to suppress it. / SC: the Outbreak may take place outside Tehmor, anywhere appropriate on the Sacred Circles Board. / DD: the Outbreak may emerge from a Doorway to an Otherworld.</p>
