

# Anarea *Forty Factions* Plot Information Sheet

<b>Tarot Card</b>	VI The Lovers
<b>Alleyman's Tarot Card:</b>	The Lovers (b2) (Page No. 197)
<b>No. &amp; Name of Plot:</b>	<b>50. Secret Liaisons</b>
<b>Expansion</b>	Forgotten Factions
<b>Description</b>	Two members of opposing Factions are conducting a secret affair.
<b>Specify</b>	Specify two Activated Factions to which the respective Lovers belong (neither of which should be held by you, except in a 2 player game). The Factions must be Enemies if possible. Specify further details as desired. The Lovers may be senior and/or specified Characters of the Factions. They need not be of opposite sexes. If the A Marriage is Arranged Plot is played in the same Game Turn, one of the parties to the proposed Marriage should be involved in the secret affair (though this will not of itself be an obstacle to the Marriage).
<b>Notes</b>	Tehmorians generally have a tolerant attitude towards promiscuity, but the attitude to extra-marital sex depends on Alignment and Faith. Lawfuls generally approve of the sanctity of marriage (though some may practice polygamy or the keeping of concubines). Goods generally approve of faithfulness to one's partner (though SHELDA preaches truth to one's heart). Chaotics tend to consider anything goes (though Good/Chaotics disapprove of hurting someone you love). Evils do not care about hurting feelings (though Evil/Lawfuls disapprove of breaking vows).
