

Anarea *Forty* *Factions* Plot Information Sheet

Tarot Card	XIII Death
Alleyman's Tarot Card:	The Mourning Death (b3) (Page No. 207)
No. & Name of Plot:	57. Vendetta
Expansion	Forgotten Factions
Description	A member of a Faction is killed by a member of another Faction and a Vendetta is declared.
Specify	Specify (i) the Faction which declares the Vendetta (which may not be the Temple of FIDAR or SHELDA), (ii) the Faction against which it declares the Vendetta and (iii) who has killed whom to give rise to the Vendetta. Only one of the two specified Factions may be Activated by you or an Ally of yours.
Notes	The Factions of Tehmor are quick to anger and slow to forgive. Vendettas are easily declared and can soon escalate. The Karana and Derevo Families have been Enemies for years, even though the original cause of their mutual vendetta has long been forgotten. It is generally considered justifiable in Tehmor to kill a member of another faction in compensation for their having killed a member of your own Faction, but it is then acceptable for them to kill a member of yours in retaliation, and so on... The Temples of HAERIM and TERRIK ever seek to provoke and inflame such Vendettas.
