Tarot Card	0 The Fool
Alleyman's Tarot Card:	The Performer (Page No. 136)
No. & Name of Plot:	66. The Imposter
Expansion	Forgotten Factions
Description	A Character in a Faction is revealed to not be what they had appeared.
Specify	Specify (i) a Character (the " Imposter ") of an Activated Faction (Which may not be Activated by you or an Ally of yours), (ii) who or what they are revealed truly to be and (iii) how this is made public. The Imposter must be a Character specified in the Faction's Information Sheet (you are entitled to be told who those Characters are once you have specified your target Faction) or one who has previously been specified by its Player. You now play the Imposter.
Notes	A surprising number of imposters have risen to influential positions within the various Factions of Tehmor, and occasionally their true identity is revealed. Sometimes this is because someone who knew them in their past life recognises them. Sometimes they make a mistake and trigger the suspicions of their Faction. Sometimes security-conscious Factions expose them by their security checks. Some Factions are more forgiving than others of such deceptions.
